Officer Reports:

February-2015 meeting's minutes were approved.

President's report: (Gary Clark)

We thank all who continue the work of the Council. We have a wonderful team and without everyone working together all of our activities wouldn't happen.

Plan on attending our 5th Saturday Dance on May 30th. There will be more said about the Callers and Cuers that will make this a special dance.

Next month is installation of officers and all the officers have agreed to hold the same office for another term. To those officers I applaud your dedication. I would like the Delegates and members of your club to think about taking a TVC office next year. Talk to the officer and have them mentor you this year. There is a ton of support in this Council to help you in any position.

To all Delegates I want to thank you for bringing your clubs concerns to the Council as well as taking the Councils information to your clubs. You are doing a fantastic job and you have an important position. Keep up the good work.

Vice President's report: (Dale Brabham)

I am looking at the dates in 2016 for fifth Saturday dances next year to begin my efforts to organize venues, callers, and cuers. They are:

- Sat. Jan. 30 Sat. Apr. 30 Sat. Jul. 30 Sat. Oct. 29 Sat. Dec. 31

My notes at present are

- Is the July 30 too close to our Summer Festival? This will be our annual Hahn Barn Dance (Hahn's willing of course).
- We lose one dance opportunity because New Year's Eve is actually a fifth Saturday (huh, what a coincidence).
- How can I find out the date selection for the Tri-Council dance, which is sponsored this year (2016) by Evergreen Council?
- Is there consensus to have a Round Dance? If so, when to do that? If we choose a fifth Friday, then we are competing directly with PAC. I think this caused hard feelings last year. The only fifth Friday not back-to-back with a fifth Saturday is Sept. 30. We could also do a round dance on a Sunday afternoon. The only fifth Sunday not back-to-back with a fifth Saturday is May 29, which is Memorial Day week end. On the other hand we could have a Round Dance on any Sunday, but it would be good to avoid conflict with the many clubs doing lessons on Sunday afternoons or any other major events taking place.

If you have ideas about what The TVC may want to do on these dates next year, now is the time to speak up. Please send me (and the rest of the officers) an email. dbrabham@mac.com , we really do want your input, these dance are for the dancers and we want them all to be special. Ideas can include themes, callers, cuers, venues, etc. We only have a few dances so we need to make them extra special, so we will get the dancers back the next year and they will tell their friends, etc.

Hope to see you at the May 30th dance at Hillsboro Odd Fellows Hall, there is additional parking at the Premier Com. Bank. We have another TVC meeting before the dance to get our duck in a row.

Day:	DATE:	TIME:	THEME:	VENUE:	CALLER:	CUER:

Treasures report: (Lane Clem)

No real financial activity last month, I have distributed the report to you. Just as a reminder clubs that are on the calendar year the time to file the IRS 99-N form is now and if you don't for two years the club will lose tax-free status. If you need help with this let me know.

Secretary report: (Tom Sminia) let me know if you need help finding the OFN on the internet. The May edition is out now.

State Youth Activities, PAC Delegate report: (Kathy Roberts)

PAC Tri-Council dance will be at the Clark County Square Dance Center. Darrell Kalmbach and Molly Combs are the caller and cuer.

Final Mid-Winter youth report: Our youth program for the Mid-Winter Festival has been very successful. In just 2 years, we have doubled the number of youth attending Midwinter and bringing their families. A request to increase the Youth budget to cover the costs of this program has been made so that the program can be continued. The kids were wonderful; I told all of them that I would take them anywhere, anytime; and that they fantastic.

OFSRDC Youth Report: Delegates, please remind all of your youth dancers that the deadline for this year's OFSRDC \$500 continuing education scholarship is midnight, May 1. All information, including your letter of recommendation must be in Kathy Roberts' mailbox by the deadline. The application process is easy and can be found at

<http://www.squaredance.gen.or.us/ScholarshipApp.php> .

We also have financial assistance available for youth who would like to attend this year's summer festival but cannot afford the festival fees. If you have a student that requires assistance, the student's state affiliated club president or club delegate needs to contact Kathy Roberts at Kathy@4roberts.us with a one or two line reason as to why the youth requires assistance (for example: single parent household or lives with their grandparents or large family).

Past President Report, Chairman for the TVC 2016 Summer Festival, and State Federation Insurance Representative: (Kay Rogers)

No report except to say if you are not looking up the OFN you are missing out, and it is free to all.

Sunshine Chair Report: (Dorothy Sullivan)

I sent cards to:

Gary Clark, Sunset Promenaders, uncle passed away.

Chris Poole, R Square D, had pneumonia

Cliff Houghtlen, R Square D, had cancer surgery.

Judy Hattrick, Caller Jim's wife, had cancer surgery.
Yvonne Clendenin, Hoedowners, sister passed away.
Lila Jones, Sunset Promenaders, great granddaughter passed away.
Michael Warrens, Hillsboro Hoedowners, recovering from a stroke

Daryl Clendenin also reported about Jim and Judy Hattrick's health condition. Daryl went over to his home and Jim was not there, he had gone over to his son's place; Jim is feeling a little better right now. Jim and Judy are going to OHSU to talk to Doctors about what can be done for his condition. Of course this is a serious problem to solve. Judy is feeling well right now, she was having a white blood cell problem last week but is doing better now. Daryl will let us know via email if there is a change.

OFN Area Editor Report: (Ferrous Steinka)

With one exception the task of club reporting to the OFN is being done in a timely manner. All of my reporters do an exceptional job and are on time with their reports. The one exception is the Tri-Squares who are having a difficult time finding someone within their club willing to take on this responsibility. Hopefully this will be addressed soon. The last report received from them was for the December 2014 issue.

Since the OFN has gone to an online publication there have been many questions regarding the submission of items to the OFN. Tim Roberts has created a document detailing how it is done. It is available as a link in the March issue:

<http://www.squaredance.gen.or.us/content/ContributingToOFN.pdf>

Basically, the following is covered:

Club Reports are sent to the TVC OFN Editor: ferrouss@frontier.com

Club Flyers are submitted via the "Club Info" area of the Federation Website

Dance info is to be submitted via the "Club Info" area of the Federation Website

Photographs are submitted directly to Tim Roberts: timr@probo.com

Articles are to be submitted directly to Tim Roberts: timr@probo.com

Letters are to be submitted directly to Tim Roberts: timr@probo.com

Remembrances are to be submitted directly to Tim Roberts: timr@probo.com

It is important that each club have someone who is committed to the job of keeping their information up to date, especially flyers. This needs to be done every month or, if the flyers are available, it can be done in advance; it is done on the internet Federation website, under "Club Info Form".

OFNRDC – <http://www.squaredance.gen.or.us/>

OFN - <http://www.squaredance.gen.or.us/ofn/index.php>

Caller & Cues Advisors report: (Daryl & Yvonne Clendenin) see report on Jim Hattrick's health condition under Sunshine. Yvonne reported the Round of the Month for April is "Too Old to Die Young" and the music is available on Amazon for download. The dance for May is "Cowboy Up" also downloadable. You can get cue sheets on the Federation website to download also.

Old Business:

TVC 2016 Sumer Festival: (Kay Rogers, Chair) I have flyers and registration forms available for Oregon and Washington Summer Festivals for this year.

We talked about some ways and means stuff for the Oregon TVC 2016 and I have brought several samples for you to see and to buy and encourage others to buy. Polo shirts are one item that we have been looking at and these are the ones we thought was the best value and these would have a embroidery patch about two by three inches on the chest, no screen prints. There was talk about using the "Live Lively, Square Dance" logo or use something like "Seaside beach Party" original logo. We could sell these for \$20 or \$25. Dependent on how many we buy, we would pay about \$12 to \$15 a piece. We would buy both male and female shirts, mixed sizes, and mixed colors. Another item is a car crash hammer/break glass/cut seatbelt/safety item. We could sell these for \$5 or \$6. We could put our logo on these. Kay also showed a shoe bag that we would buy, put a log on and sell.

There was a question about what the clubs should do concerning the request they have gotten from the 2015 Summer Festival about clubs donation a gift basket or gift card for the 2015 Festival in Klamath Falls. Kay suggested either money or a gift basket probably say \$25 value or more would be something a club could do. Kay also is encouraging dancers to go to the 2015 Festival and go to the after party. Daryl C. has offered to do a tip or two at the party and maybe we could do a skit to promote our 2016 Festival.

Continue to attend and promote **Anniversary Dances**. (Gary Clark)

Buy your material for the **2016 Summer Festival shirts and skirts**. Kathy has the material ready to sell to you.

Any Delegate needing a TVC badge see Lane so he can get it for you.

TVC Internet Privacy policy concerning personal information like addresses, email addresses, phone numbers, etc. After a lot of discussion what seemed to be a consensus is we would be sure to ask for acceptance before putting information on the internet from the individual. Also it seems to indicate that we will print a directory that will have the normal usual information, but this will not be put on the internet this coming year. Another document will be prepared for the internet with much less information and maybe use some ideas on protecting information; such as using the letter "o" instead of the number "0" thereby confusing search robots mining for personal information. There will be more on this subject in the producing of the directories.

New Business:

Summer Festival 2016: (Kay and Jim Rogers) I have these shoe bags with the new logo on them. We can sell them now as they do not specify a date or location on them. They are \$5 each and make great little shoe bags, snack packs, or?

Here is the style shirt I think we need to see for ways and means for our festival. We can use the new Arts logo or one more specific to our festival. They will be embroidered. We should sell these for \$20 Or \$25 what do you think.

Lane has agreed to serve as our registration chairman. I have printed some of the first draft registration forms for you to see and discuss. Kay and Jim Rogers

North Plains is having a parade and fun time on July 4th, downtown on the streets and are asking for Square Dance Demo during their fun time. They would like a caller, and a square or two to perform between 3 and 6 in the afternoon on the pavement near the hardware store. Bill Hults, Toe Dragger, is working on this and will be at our next meeting to further explain all of this.

Proposal to revise the TVC Constitution and Bylaws: (Lane Clem & Ferrous Steinka) Lane and Ferrous have worked on revising TVC Council Documents and have written a proposal for the Delegates read, discuss, and eventually vote on the change our present documents. They have distributed the proposal at the meeting, and also a copy to be sent out to the clubs. One of the reasons for the changes is the name of our Council in the Constitution is not the same as the name the State of Oregon has registered for the TVC Council. There are a total of 10-revisions noted in the proposal. Another item is there is no requirement for a financial audit and we felt this is an important item that should be in the documents. Please read the proposal carefully, discuss it with your club members and be prepared to discuss and maybe vote these changes next meeting.

The Club is going casual starting in May this year. One reason is work began on Wednesday, April 22, on new restrooms at Winona Grange. For four to six weeks we will have "PortaPotties", which don't mix well with petticoats, so go casual. Check our website, www.mixandminglesquares.org, for updates on the work in progress. We hope to celebrate the completion of the project with our annual Red, White, and Blue dance including strawberries, homemade vanilla ice cream, and blueberries at our break on June 20. Stay tuned! We have graduated 11-dancers this month and they all have become members. They are a very nice group of people, and we hope they will become regular dancers at our club and want to go visit other clubs, too. Sad to say we are also losing at least 8-dancers; moving away, etc.

Our Club has been busy with both the Plus and the Mainstream dances each month and our class each week; so we have not been actively doing visitations. We hope to get back to doing more visits now, and we have a "Mystery Trip" coming up on July 11th joining with the Valley Squares like we did last year. We mistakenly visited the Valley Squares on April 4th thinking it was their Anniversary dance, but we were two weeks too early; we had a great dance anyway.

We visited the Toe Draggers this month with over a square going; we had a great dance, they are a friendly group to visit.

Coming up in May, we have two Plus dances, 1st and 3rd Thursdays and two Mainstream dances on 1st and 3rd Saturdays, too. Darrell Kalmbach will be the caller for the Plus dances and guest caller for the Mainstream dances along with Ken Pratt cueing for all four dances. Mike Stout our Club Caller is on vacation in May.

We celebrated spring by kicking up our heels Scandinavian style this month. The River City Dancers came visiting with a large fun group. We filled up the dance floor with colorful, energetic dancers.

We are on our way to warm Mexico with our upcoming May dance themes. Bring your sombrero and join us for some down below the border fun, with great dancing and delicious food.

If you are not interested in this we won't buy any.

What about tee shirts? Sell them for \$20 and the cost about \$13.
