Red Skelton recipe for the perfect marriage

As part of his weekly monologue on his TV show, Red once shared [Red Skelton](#)'s recipe for the perfect marriage – enjoy!

1. Two times a week, we go to a nice restaurant, have a little beverage, good food and companionship. She goes on Tuesdays, I go on Fridays.
2. We also sleep in separate beds. Hers is in California and mine is in Texas.
3. I take my wife everywhere..... but she keeps finding her way back.

4. I asked my wife where she wanted to go for our anniversary. Somewhere I haven't been in a long time!" she said. So I suggested the kitchen.
5. We always hold hands. If I let go, she shops.
6. She has an electric blender, electric toaster, and electric bread maker. She said, "There are too many gadgets and no place to sit down!" So I bought her an electric chair.
7. My wife told me the car wasn't running well because there was water in the carburetor. I asked where the car was; she told me, "In the lake."
8. She got a mud pack and looked great for two days. Then the mud fell off.
9. She ran after the garbage truck, yelling, "Am I too late for the garbage?" The driver said, "No, jump in!"
10. Remember: Marriage is the number one cause of divorce.
11. I married Miss Right. I just didn't know her first name was Always.
12. I haven't spoken to my wife in 18 months. I don't like to interrupt her.
13. The last fight was my fault though! My wife asked "What's on the TV?" I said "Dust!"
