The Emerald Square Dance Center in Springfield, OR will have the "Life's a Dance Festival" the weekend of August 22-24, 2025. Most clubs in TVC should already have received the flyers for their club to advertise this event (thanks to Sally and Mike Duyck for help distributing). If your club has not received the flyers yet, please see Laura Irvan.

Insurance paperwork was given to the Delegates to pass out to each club. Hopefully the only Oregon TVC club that doesn't have their paperwork is Hayshakers. Again thanks to Sally Duyck for helping to distribute these insurance papers to many of the clubs. Although the paperwork says to get the paperwork to Laura Irvan by November 15, could you please try to get the paperwork turned in by the October TVC meeting as Laura has vacation plans during mid November.

The Federation Web site has had some updates including pictures rotating on the front page.

The Federation is planning on getting a new banner made. The design is close to being chosen and there is a committee discussing the final details of colors and content.

Details on electronic voting has been added to the secretary job description to include more accurate instructions on how to get the electronic voting done and who is responsible for organizing the voting.

The message from the new President Pat is to keep your mind open to new ideas and to work with everyone to achieve what it takes to make square dancing inviting for more people to participate. Sometimes changing things can make things better. In general, everyone would love to hear what your clubs have done successfully to bring in more members.

Darrell and Erin Kalmbach have been nominated for the Randall Award.

PAC report: (Erin Kalmbach)

PAC had a free community dance on the 5th Friday of August that was a huge success. We had 8 squares and the clubs are getting new dancers from this event. We have decided to have our Jan. and Aug. dances in 2025 be the same. We want to give the community regular opportunities to experience square dancing and hopefully decide to join in.

A discussion on displaying yard signs that advertise square dancing.

Past TVC President report: (Dale Brabham)

A big thanks goes to the TVC for hosting the September Federation meeting. It was a successful weekend. I felt the pressure of this duty, which I had not done before. I especially thank Sally for her help and encouragement that everything was prepared. She, together with Mike, Ronnie, and Joanne, made a memorable dinner for our guests. Mike and Sally were gracious hosts at the meeting on Sunday. I am also grateful to the members of TriSquares for taking care of the Kinton Grange.

Our new Delegate, Laura Irvan, was installed with new Officers and Delegates. I am grateful and pleased for her willingness to take on this responsibility. I pledge to continue to support her in the role of Alternate Delegate.

We dance the 2nd Friday and 4th Saturday from September through May and the 2nd and 4th Wednesday from June through August. Plus with intermediate rounds from 7 to 8; 8 to 9:30 Mainstream and rounds. R Square D lessons began on September 11 with 35 new dancers in the class. The large number was mostly due to all the publicity generated by Lisa Jessen on Facebook and our local radio station and newspaper. Lisa is doing a great job creating our flyers, too.

Our Sunflower Dance on September 13 was great fun with five squares in attendance. We are looking forward to our third annual Neil Diamond Tribute dance on September 28 at Catlin Grange in Kelso. Craig Abercrombie and Susan Healea will call and cue this dance. October 11 will be a Roaring 20's dance and will also be held at Catlin Grange, with Craig and Susan calling and cueing. We will be dark on October 26 and are encouraging members to attend Seaside Sashay that weekend. We are expecting to move back to Kelso Senior Center in October and will begin dancing there again in November. The building looks very nice with a new roof, as well as new siding, paint, doors and windows.

Good of the Order:

Charles McAuley: To the tune of Ghost Riders in the Sky:

A chicken farmer went out one dark and dusty day
And by the coop he had rested as he went along his way
When all at once a rotten egg hit him in the eye
It was the sight he had dreaded, ghost chickens in the sky
Er er er er, er er er er
Ghost chickens in the sky

The farmer had these chickens since he was twenty-four
Workin' for the Colonel thirty years or more
Raisin' all them chickens up and sent them off to fry
And now they want revenge, ghost chickens in the sky
Er er er er, er er er er
Ghost chickens in the sky

Their beaks were black and shiny and their eyes were blazin' red
They had no meat nor feathers oh these chickens were all dead
They raised the farmer up and he died by the claw
They cooked him extra crispy and served him with cole slaw
Er er er er, er er er er
Ghost chickens in the sky

Now let this be a lesson if you want to turn a piece
Don't raise up little chickens for to cook 'em up in briefs
Don't raise up any animal that one day you will kill
For they may come back to haunt you, but tofu never will

Next TVC Meeting:
